PROFILE

I am a Final Year BCA student at Galgotias University with over five years of experience in graphic design, audio engineering, and video editing. I am also the co-founder of a smaller start called VELMARA.Inc, a clothing and drop shipping sneaker business of which I gained entrepreneurial skills. Proficient in HTML, CSS, JavaScript, MERN Stack and Fast API with AI integration, alongside expertise in Afinity Design, Canva, and Video Editing software. Committed to engaging in innovative projects and thriving in challenging and entreprenureal environments.

WORK EXPERIENCE

VELMARA.Inc
Company Owner

AUGUST 2024- PRESENT

- Co-founder of VELMARA.Inc, focusing on creating a culture and showcasing it through our brand.
- Established VELMARA.Inc, initiating operations as a clothing brand.
- Implemented effective marketing strategies to enhance brand visibility and attract customers.
- Managed daily orders and supplier relationships.

The Lakhotia's, New Delhi
Event Engineer

February 2025 – March 2025

- In the month of February 2025, I was part of an event engineering team for the Lakhotia Family as they planned for their son Raghav Lakhotia's wedding. One of Forbes Hungary's top Entrepreneurs.
- I was in the stage management team called to delegate the work and manage the overall flow.
- I dealt with the sound system and audio mixing aside a professional DJ (DJ MAC).
- I also got to learn more about stage lighting and engineering for the event.
